

A CALL TO MEN

The Next Generation of Manhood

Membership Description

Length of Term: October 2024-May 2025

Prepared Date: July 8, 2024

Youth ACT! Description:

A Call to Men (ACTM) is deeply invested in our work with young people as we believe that young people's voices should be lifted up and centered in anti-oppression work. Youth ACT! is a group of young leaders "Actively Committed To" promoting healthy masculinity and healthy relationships, preventing gender-based violence, and creating a better world for ALL women, girls, men, boys, LGBTQ, Trans, and nonbinary people. As a member, you will have the unique opportunity to connect with like minded individuals passionate about making a positive impact on our shared world.

This virtual cohort provides an opportunity to engage in meaningful work that supports social justice and equity, with a focus on education, outreach, and community engagement. As part of our dynamic team of young leaders, you will be "Actively Committed To" the following:

- Promoting healthy, respectful masculinity
- Promoting healthy relationships and consent
- Challenging harmful cultural and social gender norms
- Decreasing language and actions that degrade women, girls, LGBTQ, trans, nonbinary individuals and other groups in the margins of the margins

WHAT YOU'LL DO:

Working individually and collaboratively, as a member of Youth ACT!, you will:

- Actively participate in virtual meetings
- Provide feedback for ACTM's [Live Respect](#) Curriculum
- Inform and support various ACTM initiatives such as our [Youth Summit](#) and [dismantle. Art Contest](#)
- Identify school policies to address and advocate for change
- Develop and implement programs and initiatives
- Develop, share, and present content and resources
- Collaborate with ACTM's Communication team to manage Youth ACT! social media content
- Bring your brilliant ideas to the table!

All Youth ACT! Members will receive training on our [Live Respect and Healthy Masculinity curriculum](#) to gain an understanding of our work and how we promote healthy masculinity, relationships, and consent.

A CALL TO MEN

The Next Generation of Manhood

KNOWLEDGE, SKILLS AND ABILITIES:

- Ability to work independently and collaboratively
- Good written and verbal communication skills
- Willingness and excitement to learn and develop professional skills
- Good research and problem solving skills
- Ability to establish and foster strong relationships
- Well organized, detail oriented
